Changes coming April 1 to SR 99 off-ramp in SODO

The southbound State Route 99 off-ramp in SODO is moving to make room for construction on the South Atlantic Street overpass. Currently, the ramp connects to East Frontage Road, but starting Monday, April 1, the ramp will drop drivers off on South Atlantic Street at Colorado Avenue South.

The ramp will close at 5 a.m. Saturday, March 30 to allow contractor crews to complete the connection to South Atlantic Street. The reconfigured ramp will reopen by 5 a.m. on Monday, April 1.

The new overpass will open to traffic by the end of the year. The overpass will keep traffic moving by allowing drivers, bikers and pedestrians to bypass the railroad tracks on South Atlantic Street.
